IrelandsEye Knitwear is a family-run company that has been creating knitwear for over 35 years. Inspired by the Irish landscape, Irish culture and the colours of nature, we combine a traditional Irish knitwear heritage with our own unique twist, to create knitwear for all occasions.

Designed and made in Dublin, we create a wide range of styles for both men and women, in a variety of bespoke wools and colours. Each garment passes through 27 expert pairs of hands before they leave the factory.

Choose from luxurious sweaters, cardigans, vests, ponchos and more – in addition to gorgeous knitted accessories like throws, wraps, hats and scarves.

Heirloom

: something of special value handed down from one generation to another.

At IrelandsEye Knitwear, we create timeless garments made to last a lifetime. Here we have carefully selected our most loved designs, from the classics to personal favourites, that we hope will become cherished forever pieces in your wardrobe.
