Consciously Crafted DUBLIN

THE EMBERS COLLECTION

Here at IrelandsEye we've incorporate elements that reflect the essence of Ireland, ancient tradition and the warmth of Ireland.

Using colours like deep grassy greens, earthy browns, rich blues and warm neutrals that mirror the natural hues of Ireland's scenery, while textures, soft wools evoke a sense of feminine comfort and homeliness with a contemporary edge.

Feminine silhouettes that are relaxed and versatile, capture the spirit of Ireland's romantic yet laid-back elegant charm.

Pieces that transition seamlessly from day to night and from indoors to outdoors, that resonate with individuals seeking both style and practicality.
