THE ELEMENTAL COLLECTION

Here at IrelandsEye we are embracing a new chapter in comfort and exploration, inspired by the quiet pull of the outdoors.

Crafted in an innovative wool-cashmere blend enriched with recycled fibres, each piece offers a feather-soft touch and effortless drape. Signature tones meet two striking new shades inspired by open landscapes, bringing energy to clean lines and sculptural textures.

Feminine, relaxed silhouettes are softened with contemporary Aran detailing, creating garments that move with ease from outdoor moments to city life.

Elemental is knitwear for the modern woman; considered, understated, and beautifully attuned to the world around her.

A vertical photograph of a misty forest landscape. In the foreground, there is a calm body of water with gentle ripples. The middle ground is a dense forest of trees, some with green foliage and others with yellowish-brown autumn leaves. The background shows a misty, hazy forest on a hillside.

THE
ANCHOR
COLLECTION

Here at IrelandsEye we are reimagining the spirit of Ireland's traditional fishermen through a modern, refined lens. Crafted from a lightweight wool-cashmere blend, each piece offers softness, ease, and year-round versatility.

Classic IrelandsEye palette, ocean blues, earthy greens, weathered neutrals, anchor the collection in the natural tones of the coastline. Clean, relaxed silhouettes and subtle textural details bring a contemporary clarity to these heritage-inspired knits.

Anchor is knitwear for the modern man. Authentic, functional, and beautifully crafted for everyday life.
